

**2013 Happy Valley Lavender List: Updated MARCH 2013**

.....Available as farm sales only: sorry we do not ship plants.

\*Lavender varieties in blue ink are in stock NOW

(Mainly 2<sup>nd</sup> year gallon pots & ready for sales when the Nursery opens April 1st)

The farm is open Sat, Sun & the Holiday Monday HOURS: 10-5pm...

RED ink is babies just potted up; ready for mid to late May

We have yet to start some Lavender from seed...

New 2013 series Lavenders from fall cuttings \$4 each.

Lavenders for sale in gallon pots are \$10 each.

There are a few 2 gallons at \$15 each...

...The gallon pots are hardy over wintered stock from the previous year's small pots. They are eager to get planted & bloom! Yearly, we generally offer up to 35 varieties...

...When planting; choose a very sunny open spot with good drainage for the best success.

Space Sweet Lavender angustifolia plants a minimum of a foot and a half apart.

Plant your larger maturing Lavandin or L. latifolia plants 2 1/2 feet apart.

Remember as well to set all Lavender plants in at least 2 feet away from pathway edges to allow for mature growth and girth.

...Set a bench near by to enjoy the fragrance and watch visiting bees & butterflies!
