

Happy Valley Lavender List: Updated Jan 2012

We generally offer around 35 varieties yearly...

Lavenders for sale in gallons@ \$10 each are hardy over wintered stock from the previous year's small pots. They are eager to get planted & bloom! New 2012 series spring cuttings or Lavenders from seeds will be ready this June in 3 ½ inch pots@ \$4 each. Depending on their age, some 2012 plants may wait until the second season to mature & bloom.

Do choose a very sunny open planting spot for the best bloom!

Sweet English Lavenders (hardy, reliable, very fragrant & tasty)

..... The best fragrance= the best culinary Lavender!
